CUE TIP OF THE WEEK – PATCHES

We love to award our players with prizes and trophies! One of the ways we award players every day is by giving out patches: 8-on-the-break, 9-on-the-snap, 8-break-&-run, 9-break-&-run, and Rackless patches! Please note that if you don't mark the patches on the scoresheet, then you won't get them in your team packet the following week. We also give out "I beat the League Operator" patches, if you dare to challenge her...

Note regarding Rackless Patches: awarded only if there is no S8, E8, or WP – and the winner must also win the lag at the beginning of the match.

RAFFLE TICKETS for the PATCH SWAP

Do you have so many patches that you just don't know what to do? Well trade them in for raffle tickets. You might win a trip to Las Vegas!

EXCUSE OF THE WEEK! WHAT'S YOUR EXCUSE?

The holidays are here! I'm suddenly very busy focusing on my Halloween costume – and my Thanksgiving menu – and my holiday shopping. I can't focus on pool with Halloween only days away...!
